of Correction

Sir:

Patentees hereby submit and respectfully request entry of the enclosed Certificate of Correction under 37 C.F.R. §1.322 for Patent No. US 7,131,378 B2 issued November 7, 2006 because Applicants' amendments filed during prosecution were not incorporated into the specification of the issued patent. A cited reference was also printed incorrectly on the title page of the patent.

Please correct the specification to be in accordance with the amendment dated December 7, 2004 in the Response to Office Action of September 10, 2004. In column 2, line 23, "etc.)" should be changed to -- etc. --.

Please also correct the specification to be in accordance with the amendment dated September 12, 2005 in the Response to Office Action of March 10, 2005. In column 1, line 60, cancel the text "surface layer or". Furthermore, in column 4, line 8, "layer" should be changed to -- coating -- as amended in the same Response to Office Action.
